

Visit APC/MarineLine® at the...

**Chemical and Product Tanker Conference in London**  
**March 14-15, 2017**

**CMA SHIPPING 2017**  
**in Stamford, Connecticut**  
**March 20-22, 2017**

## MarineLINE®

*These high level conferences examine the issues that really matter to ship owners and chemical and product tanker operators.*

*You will be able to meet and talk with representatives from Advanced Polymer Coatings about the latest developments of the MarineLine® tank coating system.*

*Come see why shipowners are specifying the MarineLine® cargo tank coating system as seen in these new advertisements appearing in the maritime trade media.*

*MarineLine® outperforms stainless steel and all other coatings providing the highest chemical resistance available on the market today.*

*For more information, visit [the website](http://www.adv-polymer.com).*

### SHIPOWNER VIEWPOINT

Tryggve Möller, Managing Director, Terntank Ship Management AB, says

**MarineLINE® has SUPERIOR TECHNOLOGY**

TERN TANK

“ Our fleet of 4 new tankers, all employing the latest technologies, represents the future of shipping. That includes the MarineLine® cargo tank coating, with the best tank surface for easily switching cargoes. ”

### SHIPOWNER VIEWPOINT

Niclas Kappelin, Managing Director, North Sea Tankers, explains the **CLEANING BENEFITS of MarineLINE®**

NORTHSEATANKERS

“ A well maintained MarineLine® cargo tank coating, with its very smooth surface, helps NST gain a quick turnaround in port, and provides effective cleaning from the wide range of products that we transport. ”
